Chuckaroo again kicked butt big time.

A very nice day as it warmed up somewhat to 46 in the range bowl. No need for heavy gloves.

The new targets (used cowboys from the Thurmont Sportsmens Club, thanks to DQ Dave),
coupled with the new and improved target stands, again thanks to DQ Dave, worked really great,
as we had three clean shooters and two with only one miss. Chuckaroo was clean until the last shot - oops!

Appalacian Jewel, a first-time shooter had a clean match. Note that it took Bull Shouls 10 years of hard practice to do so.

Never Miss Megan, a Young Gun, had only one miss. The 12 ga. finally wore her shoulder out, so she reset plates the final two stages.

Lots of classes and lots of winners. However, no one won the Corvette.

Next shoot is December 16 with a Christmas theme - "Santa is a Mensch."
