A very nice day as it warmed up 56 in the range bowl with some sun and no wind. Remember, this is early January!																		
Handsome Randsome was presented with a new Mod 66 Yellowboy rifle from an unknown donor with a Cody Codinger shortstroke donated by Cody. Handsome shot clean with it. Chuckaroo made the presentation.																		
Lots of winners, no whiners, the way it should be. Kiddo kicked butt today, as consistency and accuracy ruled She was clean today, smooth and fast. Three other other shooters were also clean. Several were clean up to the last stage, a series of 5 shot dumps, too tempting. The targets were as big and close as we can do safely.																		
Will do again in two weeks.																		
Remember a good word/thought/prayer for Cash who is having a hip replacement on the 17th.
