A very nice St. Patrick's Day. High was 64 degrees with sunshine after the clouds burned off.

The theme was Irish, with a bad bunch of Irish one-liners.

All the shooters encountered some winter rust, with the average number of clean stages 2.6 per shooter.

In other words, no clean matches.

We had one new shooter - East Coast Crabe, a 49er. Welcome to the sport.

Next match Tuesday, April 21, same time and place.
